Pre-Kindergarten, Kindergarten and Elementary

974 McBride Ave, Mississauga, ON L5C 1L6, Canada

At McBride Public School we are home of the lions. The paw prints of our lion are symbolic of the footprints we leave in this world. We strive to teach a similar message that native people teach about morality; that is, McBride students work to understand the impact that our choices have on people living generations from now and through the many initiatives related to local and global citizenship. We make a difference in the world! We believe that learning is different today than it was in the past. Keeping the needs of the 21st century learner at the forefront of what we do, we strive to provide a continued focus on curriculum, teacher expertise and assessment. Also at McBride, we focus on providing our students with opportunities that support creative and critical thinking.

In 1969, The Woodlands School opened at Springfield Public School with 400 elementary students. The first phase of the current structure was built and opened its doors to students in 1970. Since those early days, The Woodlands has grown to a current population of more than 1500 students and is unique in that we are the only grade 7 to 12 school within the Peel board. Our mission, "to inspire all students in an inclusive, caring and supportive community to reach their potential as successful and responsible global citizens," was developed by staff, students and members of the larger school community in recognition of our diverse and multi-talented population of students who speak more than 60 first languages.
