St. Ambrose Catholic School has a rich tradition upon which the present school continues to build. Established by the Etobicoke Union Board to meet the needs of the new Alderwood community, Sister Verona with her staff of six teachers opened the original school in 1954. The opening day enrollment was 302 students. As South Etobicoke continued to grow throughout the 50's and 60's, our school met the demands of the increased population with two separate expansions (1962 & 1966). During that time, the parents of many current students graduated from St. Ambrose. Today, the school continues the tradition of providing a quality education for its students as they prepare for the challenges of the 21st century.

Michael Power - St. Joseph, a co-educational school of over 2000 students, was founded by two religious communities: the Basilian Fathers and the Sisters of St. Joseph. In our school community, students meet Christ sacramentally in school and class liturgies, and come to know the "good news" in their theology classes. In pursuing scholarship, they come to an awareness and appreciation of God's creation. The school year is divided into two full semesters. Our Special Education program is based on an inclusive model of support for students with a wide variety of learning needs including both developmentally disabled and gifted students. Other important programs are Extended French, Co-operative Education, and English as a Second Language.
